

LA Fish

At LA Fish, we have the advantage of all the resources and support of our international parent company and we're one of the largest distributors on the West coast. But we're also a local operation with home-grown representatives with the loyalty and dedication to meet your sushi and seafood needs, whatever they are. Our specialty, of course, is fresh seafood, and we serve all kinds of customers: restaurants, sushi bars, and retail stores. We offer fresh seafood from all parts of the world and an enormous inventory of frozen seafood products. We can also provide your restaurant with premium-grade Wagyu Beef imported directly from Japan. And please keep in mind, whatever special requests or orders your customers have, we're willing and able to deliver what you need.
