American Fish-Reno

At American Fish-Reno, we have the advantage of all the resources and support of our international parent company, and we're one of the largest distributors on the West coast. But we're also a local operation with representatives with the loyalty and dedication to meet your needs. Our specialty, of course, is fresh seafood, and we serve all kinds of customers: casinos, restaurants, and sushi bars. Our facility and same-day service mean we can provide you with whatever premium product you need, whether it's lamb, veal, pork, poultry, or our Angus natural beef. When you find yourself needing first-rate products right now, we can make it happen.
